

# MH9<sup>®</sup>

**The *small* Mud Hog<sup>®</sup>**

***that's ideal for small jobs!***

- 9 cu. ft. - 2 to 3 bag mixer.
- Hydraulic dump & drive.
- Comes standard with tow package, highway tires, and torsion axle for smoother suspension.
- Tow package designed to pull from the side so that the wheels are out of the way of wheelbarrow or the forks on a forklift; easier to back into sand pile.
- Loads below waist; lessens backache.
- Mixes up to 3/4" aggregate.
- Reversible mixing paddles.
- Optional brake and light kit.
